

## 1 INTRODUCTION

Mapmydiabetes (the “**Service**”) is a service operated by Mapmyhealth Limited (“**Us**”, “**Our**”, “**We**”), a company registered in England and Wales with Registered Number 7989820.

This cookie policy, (together with the Mapmydiabetes terms of use, privacy policy and any other documents referred to in these policies) sets out the basis on which any personal information we collect from you, or that you provide to us, will be processed by us.

By using the Service you consent to our use of cookies as set out herein

## 2 POLICY STATEMENT

The Service uses client-side cookies to store the session id of the current browser session. The Service also makes use of a server-side store for user session data. This reduces the risk of data stored within the session being compromised by an attacker with access to a user’s local PC.

For the avoidance of doubt, the Service does not store any personally identifiable information in cookies.

We use several different types of cookies to help the Service work. We also use third party services for analytics and performance monitoring and these third party services may also use cookies from time to time. The cookies we use are listed in the following table. We may at any time change the cookies we use to deliver the Service and will update this policy accordingly.

Name of cookie	Purpose
<b>KEY_PHPSESSID</b>	Created by the Service and used to identify a session over HTTPS only
<b>PHPSESSID</b>	Created by the Service and used to identify a session over HTTPS only
<b>__utma</b>	Created by Google Analytics who is our analytics provider
<b>__utmb</b>	Created by Google Analytics who is our analytics provider
<b>__utmc</b>	Created by Google Analytics who is our analytics provider
<b>__utmv</b>	Created by Google Analytics who is our analytics provider

**Cookies which are necessary to run the Service:** The Service produces some cookies that are essential to keep the Service working and provide the services you need. These are:

- KEY\_PHPSESSID and PHPSESSID cookies which enable you to stay logged in for a session.

**Cookies which help us improve the Service:** Some cookies help us to see how people are using our Service. These are known as 'analytics cookies' or 'tracking cookies'. They let us know what areas of website are popular and how people are using the Service. This information is anonymous – we do not collect anything that would identify a user. We combine this data with the rest of the user data and examine it as a whole to build up a picture of how the Service is performing. These cookies work only on our Service and are not shared.

**Cookies are integral to the working of the Service, so if you choose not to accept cookies from us, you will not be able to use Service. In order to use the Service you must accept the cookies that we send to you.** Most browsers accept cookies automatically but you can modify the settings in your browser to turn on this feature if it is turned off and preventing you from using the Service.
